PROGRAM AT A GLANCE

9:15 am - 10:30 am

Irene Becker

“Managing at the Speed of Change”

Developing the ability to manage at a speed of change, multiple challenges and transitions demands a whole new focus on using strengths as well as stressors to build, enable and optimize potential. Join executive coach Irene Becker for an insightful, interactive presentation that will help you get inspired and motivated to not simply ride the wave, but use the waves you face to inspire, lead and engage the best in yourself and others.

First woman CEO of a steel company, Irene broke through the cement ceiling during a very successful business career, and also addressed and negotiated personal challenges that helped her develop a unique optic and skill set described by clients in Canada, USA and Europe as transformational and cutting edge.

10:45 am - 12:00 noon

Michael Flint

“Are your Projects Delivering Value? An Introduction to Value Added Project Management ©”

In this presentation Michael will introduce the concept of *value-added project management (VAPM)©*. He will review some of the challenges that face anyone in the project management community and approaches that can be taken to resolve those issues. This should be of interest to anyone concerned with projects and the need to achieve quantifiable value.

As the President of MBF Consulting Services Inc., Michael Flint provides many services including, Project Management Office setup, Business Process Mapping & Gap Analysis, Project Management training and practical application of the skills through customized courses and workshops such as - “Practical Project Management for the non-Project Manager”© and “If This Was Easy Someone Else Would Be Doing It”©

Now the Past President and Director, Project Management Institute (PMI) Southern Ontario Chapter, Michael is a frequent speaker on Project Management at the PMI's annual Leadership Conferences both in North America and in Europe.

12:00 noon - 1:15 pm - Lunch provided

1:15 pm - 2:30 pm

Panel Discussion with Warren Viegas, Bob Laramy and Dennis Wyslobicky

“Technical Issues and Challenges in Implementing the Harmonized Sales Tax (HST)”

During this roundtable discussion, audience members will have the opportunity to ask questions regarding the HST. Our panel members include:

- *Warren Viegas is a compliance specialist dealing with various federal/provincial taxes, customs and income tax issues while identifying areas of exposure. He assists his clients in a wide range of Federal and Provincial of tax and related areas. His web site is www.warrenviegas.com*
- *Bob Laramy is currently the Assistant Deputy Minister for the Sales Tax Reform Project at the Ontario Ministry of Revenue. Bob is leading the ministry's project team to support the proposed move to a federally-administered harmonized sales tax in Ontario.*
- *Dennis Wyslobicky practices commodity tax and trade law including customs valuation, tariff classification, NAFTA and AMPS, as well as the GST and PST. Dennis assists clients with planning and compliance, and also represents clients before the Canadian International Trade Tribunal, the Tax Court of Canada and in federal and provincial courts.*

2:45 pm - 4:00 pm

Larry Wettlaufer

“The Real Cost of Risk in Today's Economy”

In his presentation, Larry Wettlaufer will cover: ‘Tolerable Uncertainty’ – is Risk Management an absolute necessity or just an added expense?; Survival of your business in the face of uncertainty; The importance of stability of earnings, as opposed to phenomenal growth; Legal issues one faces and how one may handle the risk portion; Humanitarian concerns – your most important asset; and Managing media issues in times of concern.

Larry Wettlaufer is an associate at Risk Review Inc (www.riskreview.ca) His thirty-five year career includes a strong background in banking, lending, commercial insurance analysis, and risk management.
