

INTERNATIONAL RECOGNITION

CIM Chartered Managers Canada has developed international reciprocity with the UK Chartered Management Institute (CMI) for the Chartered Manager designation. The CMI and the CIM have a close working relationship and share mutual interests in developing the management profession on a global scale. This reciprocity allows Chartered Managers to work globally, having their designations recognized.

CIM CHARTERED MANAGERS CANADA OVERVIEW

Members holding our Chartered Manager (C.Mgr.) or Certified in Management (C.I.M.) designation can be found in every province and territory across Canada.

Our professional designations are the cornerstone of management professionalism in Canada and internationally.

CIM Chartered Managers Canada has accredited programs from reputable academic institutions across Canada that provide a wide range of highly sought programs in commerce, international business, entrepreneurship, leadership and management. These Nationally Accredited programs help corporations grow their talent pool and build skills and competencies for managers and leaders of today.

Our distance-education Chartered Management Program (CMP) and Certificate in Supervisory Management (CSM) allows your employees to develop their management skills while continuing to work.
